KENT STATE UNIVERSITY
2015-2016 ACADEMIC YEAR
RESIDENCE HALL CONTRACT FOR ROOM AND DINING PLAN

IMPORTANT: Read carefully prior to signing the attached application/contract.

THE RESIDENCE HALL AND DINING PLAN CONTRACT IS FOR THE ENTIRE 2015-2016 ACADEMIC YEAR (FALL AND SPRING SEMESTERS), excluding semester breaks and holidays. The following dates are when the halls will be open:

August 30, 2015 – December 18, 2015
January 17, 2016 - March 18, 2016
March 27, 2016 - May 13, 2016

This contract is for space in the residence halls and is between Kent State University and the student, and/or parent or legal guardian if the student is under the age of eighteen (18).

A. OFFER
Kent State University agrees to provide a furnished room and dining plan (if contracted, see section H), excluding room for semester break and spring break, and board during Thanksgiving break, semester break, and spring break, for payment of the fee in effect at the time of occupancy. The residence hall contract creates a license for the student to use campus housing and is not a lease. The relationship between Kent State University and the student is that of licensor-licensee and not that of landlord-tenant. A license creates a privilege for the student to use residential housing subject to the conditions of this contract, superseding all previous contracts as well as any verbal statements or telephone conversations made concerning this contract.

This contract is issued for the 2015-2016 academic year or balance thereof, excluding the break periods. Therefore, once the student has agreed to this contract, the student is signing this contract. For cancellation, see Section E.

B. STUDENT RESPONSIBILITIES
The residence halls at Kent State University are intended to support student success. To that end, all students living in the residence halls have the following responsibilities.

1. Student agrees to be enrolled, and remain enrolled, for academic credit each semester. Part-time status does not terminate this contract. A schedule of all web-based courses does not terminate this contract.

2. Student agrees to accept Room and Dining Plan (if contracted) and pay the applicable fees for the entire academic year, or remainder thereof. When a student withdraws (exits) from the university or if a Contract Release is granted, this contract may be suspended only for the time during which these conditions occur. Should a student re-enroll (after exiting) or be reinstated (after being academically dismissed) during the same academic year this contract was signed, the obligation of this contract will be reinstated. Non-occupancy of assigned space does not terminate the Residence Hall Contract, and the appropriate charges under the contract will continue.

3. Student agrees to the terms, conditions, policies, rules and regulations contained in the Hallways Handbook, the University Policy Register, laws of the United States, the State of Ohio, and all local laws for the City of Kent or Portage County.

4. Students may be held liable for damages to or the defacing of university property. In addition, all floor/community residents can collectively be held responsible for damages to public areas that cannot be attributed to specific individuals. Damage charges will be assessed to the student's Bursars account.

5. Student agrees to support the safety, health, and well-being of the residence hall community. If a student’s behavior compromises the safety, health, and well-being of the community, the Department of Residence Services may refer the student to Psychological Services or to the Office of Student Conduct. Failure to comply with this referral and/or continued compromising behavior will result in termination of the contract (see Section F).

C. APPLICATION FEE
New applicants for residence hall space are required to submit a $25 application fee when submitting the signed Residence Hall Contract. The fee is held by the university and is not applied to the cost of the room and/or food plan. This fee is non-refundable.

D. PRE-PAID HOUSING FEE
1. New applicants for residence hall space are required to submit a $25 application fee when returning the signed Residence Hall Contract. Any student wishing to live in the residence halls must also pay a $200 housing pre-payment at the time of application. New applicants will not be assigned a space in the residence halls until the $200 pre-payment is paid in full.

2. Refund: The pre-paid housing fee will be refunded if the student informs the Department of Residence Services of cancellation of housing by June 1, 2015. Refunds will be made subject to outstanding debts owed to the university.

3. Forfeit: The pre-paid housing fee will be forfeited if the student cancels housing after June 1, 2015. Please refer to the section on Cancellation of Contract, section D, regarding refund or forfeiture of housing fees prior to the first official opening day of the residence halls.

E. CANCELLATION OF CONTRACT
Request for cancellation of the contract before moving into a residence hall (checking out residence hall room keys), and prior to the applicable opening day of the residence halls, will be accepted with one of the following guidelines:

1. A written request for cancellation received on or before June 1, 2015, for the fall semester, or January 1, 2016, for the spring semester (new spring semester applicants only) will result in the refund of the $200 pre-paid housing fee.

2. A written request for cancellation received after June 1, 2015, for the fall semester, or January 1, 2016, for the spring semester (new spring semester applicants only) will result in forfeiture of the $200 pre-paid housing fee.

A request for cancellation of the Residence Hall Contract, including Dining Plan (if contracted), must be done either by phone, by e-mail, or in writing, addressed to and received by: Department of Residence Services, Kent State University, P.O. Box 5190, Kent, Ohio 44242-0001. Students notifying the Department of Residence Services they will not be coming to Kent State University will result in the termination of the submitted residence hall application. The Department of Residence Services will not inform the University Registrar of the student’s intentions. It is the student’s responsibility to cancel all classes for
which the student is registered. Students exiting the university between semesters must
officially check out with residence hall staff and return keys/keycards to avoid charges.
If a student is not returning to the university for the spring semester, the student will be
released from the contract. However, the student must inform the Department of
Residence Services, by phone, e-mail, or written letter by 5 p.m. of the second Friday of
November (academic dismissals exempt).
Request for cancellation of this contract after moving into a residence hall or after the
applicable opening day of the residence halls will require a Petition for Contract Release, and
the student must show just cause for termination (major unforeseen circumstances).
In order that all petitions may be reviewed and appeals, if needed, conducted prior to the
start of spring semester, the deadline to petition for a contract release is 5 p.m. on the
second Friday of November. Petitions received after this deadline may not be reviewed
until after the start of the spring semester. A petition for contract release form, as well as
the procedural instructions, may be secured from the student’s Residence Hall
Director or Central Office. This contract cannot be terminated solely for the purpose of living
off-campus or in order to commute from home.
A forfeiture charge of 12.5 percent per week of the contracted room cost per semester
will apply to students leaving the university and/or receiving a written release from their
residence hall contract. Students will be charged a forfeiture rate for each week of
occupancy. There are no room refunds after the seventh week of the semester.
IMPORTANT: A student submitting a written request for cancellation of the residence
hall contract, who remains obligated under the University Housing Policy, must also
follow the established procedure for requesting an exemption to the University Policy
Regarding Student Housing. Please note that the terms of the signed Residence Hall
Contract supersede the terms of the University Policy Regarding Student Housing.

F. TERMINATION OF CONTRACT BY THE UNIVERSITY
If a student fails to comply with the terms of this contract, the contract may be
terminated by the director of the Department Residence Services. Termination of the
contract will be communicated in writing to the student. If a student chooses to appeal
a termination of the contract, the student must do so in writing to the vice president for
Enrollment Management and Student Affairs (or designee) within five business days.

G. ASSIGNMENT TO HALL AND ROOM
The Department of Residence Services reserves the right to make all hall and room
assignments. Residence Services may make changes in room assignments deemed
advisable or necessary based on occupancy demands, facility issue, community concern,
or other special accommodation needs. Such changes to a student’s room assignment
shall not be deemed a breach of this contract. If this should occur the room rate will be
prorated to the published rate for the term in which the room is assigned.

H. INTERIM PERIODS (Breaks)
Residents of halls that are open during the break period(s) and who are returning to the
residence halls for the next academic term or after spring break will be permitted to
remain in residence during an interim period. Room fees for this period will be in
addition to room fees for each semester as indicated in this contract. Students
requesting to move into the residence halls before the contracted period (fall or spring),
or requesting to stay after the official announced closing date at the end of the semester,
will be billed at a per-night rate to the student’s Bursar account.

I. DINING PLAN (Board)
The dining plan is required of all students who do not meet at least one criterion for
exemption under the university policy regarding student housing. The dining plan
contract is for the academic year. [phone: 330-672-2273; fax: 330-672-3291]
In the event of an authorized Contract Release from the dining plan portion of the
contract, through the seventh week of the semester, the student will be refunded 90
percent of the current semester’s balance on the dining plan. After the seventh week of
the semester, 30 percent of the current semester’s balance will be refunded, except for
the last week of the semester when no refund will be awarded.

- University Dining Services agrees to advance to the spring semester, the
  unused portions of all money deposited into the student's food plan account, as
  long as the student remains on the food plan for the spring semester. No
  reduction in the spring semester’s food plan charges will be granted.
- Funds remaining in the student’s dining plan account at the time of the
  student’s departure from the university (for whatever reason including, but not
  limited to, graduation, university-sponsored programs, end of spring semester,
  academic dismissal) shall revert to University Dining Services and shall not be
  refunded.
- If the student is not contracted for the spring semester food plan, the student
  forfeits the balance of the dining plan at the end of the fall semester.
- The dining plan account is non-transferable.

for any persons or property of the student from any cause, nor will the university and
