**UNIVERSITY POLICY REGARDING STUDENT HOUSING**

As a residential campus, the residential experience is viewed as part of the total university education. Kent State University requires that all single students enrolled for nine or more credit hours reside in the university's residence halls and participate in the food plan. This requirement is applicable until: (1) the student attains junior academic standing (60 semester or 90 quarter credit hours) by the start of fall semester; (2) the student is 20 years of age or older, having reached age twenty no later than the first day of classes for the applicable semester; (3) the student has completed two full-time academic years (excluding summer) of college enrollment; (4) the student commutes from the principal residence of their parent(s) or legal guardian(s) which is located within a fifty mile driving radius from the Kent campus; (5) the student has lived in college or university on-campus housing for four semesters or the equivalent. Additional exemptions to this requirement are noted in Policy 4-05 of the University Policy Register. A registration hold is placed on the record of a student found in violation of this policy.

Information pertaining to the residence hall contract, including but not limited to cancelation, contract release, and refund policy may be found by visiting <http://www.kent.edu/housing/housing-contract>
