Applying for the Vitalant-University Health Services (UHS) Tuition Scholarship

About Vitalant
Vitalant, formerly known as LifeShare Community Blood Services, has been serving Northeast Ohio since 1948, providing life-saving blood products to patients in need right here in our own backyard. We are part of the nation’s second-largest non-profit transfusion medicine organizations (blood banks).

Our mission is to help people realize their life-transforming potential by offering convenient blood donation opportunities and sharing our expertise in transfusion medicine. Our kind, compassionate, and caring staff work tirelessly to provide a safe, comfortable environment for donors, as we understand that donating blood can be a rewarding and satisfying experience.

Kent State University earns one $500 scholarship for every 50 units of blood collected during the academic year.
