Kent State University Fee Register

Official and Approved
Listing of University Tuition and Fees
Effective for the 2019/2020 Academic Year
The Fee Register is the official list of all university fees as approved by the Board of Trustees and collected by the Bursar’s Office. It does not include the charges for services or products for those auxiliary enterprises which determine charges on the basis of fluctuating costs and which are not of a general student nature.

Fees listed as “ACB” are fees that are based on the actual costs associated with a particular fee, such as, but not limited to, the cost to a student for travel, practicum requirements, books, etc.

Rates are per semester, unless otherwise noted and are subject to change at any time by the Board of Trustees.

*College program fees are assessed based on the college tied to the student’s primary academic program, except in cases where a program fee has been approved for a particular program or major. In those cases, students will be assessed the college program fee and the program fee approved for their particular program or major. Example, entrepreneurship majors are assessed $62.50 in program fees for their major and the $85 for the College of Business Administration program fee, see above under “College of Business Administration” program fees.
