- There is a $300 per year maximum (Tier One + Tier Two)
- Deposits are made within 2 pay cycles after notification of point achievement

*If you elect to have your wellness reward dollars deposited into your Health Savings Account (HSA), you MUST elect this on the Be Well portal EACH YEAR and prior to the first payout. Employee Wellness will send you a reminder AFTER the open enrollment window closes for that year.

You have **120 days** from your hire date to complete and return the enclosed Retirement Plan Election Form to the University Benefits Office located in Heer Hall, 635 Loop Road, Kent, OH 44240.

If you want to become a member of an Ohio state retirement system, simply check the appropriate box in Section II of the attached Retirement Plan Election form.

If you want to participate in an alternative retirement plan (ARP) offered by a private plan provider, check the appropriate box in Section II Retirement Plan Election form and select one of the plans.

Traditional Health Plan vs High Deductible Health Plan

Traditional Plan
Low or no deductible, higher monthly premiums

HDHP
High deductible, lower monthly premiums

Put your premium savings into an HSA to pay for qualified medical expenses.

Health Savings Account
How does the HDHP work?

» Go to doctor and present your Medical ID card and receive services. Note – you should not pay anything at the time of service.

» Doctor submits claims to provider – MMO

» If services are billed as preventive, office visit will be covered at 100%.

» If services are not billed as preventive, discount charges will be applied to your plan year deductible.

» You will receive an Explanation of Benefits (EOB) in the mail explaining charges for which you are responsible.

» You will use your HSA debit card, cash or checkbook to pay your doctor the charges for which you are responsible.

Enrollment in a Health Savings Account ("HSA") is governed by IRS Regulations. To be eligible and qualify for the tax benefits of an HSA, you must be covered under a qualified High Deductible Health Plan (HDHP), i.e., your only health coverage (except as otherwise permitted under IRS regulations), not be enrolled in Medicare, and not be claimed as a dependent on someone else's tax return. The University’s High Deductible Health Plan (HDHP) meets the IRS requirements.

You may enroll in the University’s HDHP plan without enrolling in the HSA offered through the University. However, if you wish to enroll in a Health Savings Account through the University, you must also enroll in the HDHP plan.

HEALTH SAVINGS ACCOUNT ELECTION

I elect to enroll through the University in a Health Savings Account. I understand that I must meet the eligibility requirements outlined by the IRS Regulations in order to qualify for the tax benefits of an HSA.

I hereby instruct Kent State University to direct the following amount to an HSA account in my name with PNC Bank:

$________

NOTE: The amount elected will be divided equally over each pay period in the Plan Year. If you make or change an election during the plan year, it will be divided equally over the remaining pay periods in the plan year.

See instructions on back for minimum and maximum amounts.

I certify and acknowledge the following:

- I have reviewed the University’s 2017 Medical Plan Comparison Chart and elect to enroll in the HSA Plan option. I acknowledge that I will not be able to change to another health plan option until the next Plan Year, except as provided above.
- I acknowledge that I may only contribute to an HSA and receive the tax benefits of an HSA if I meet the eligibility requirements outlined by the Internal Revenue Code.
- I acknowledge that the University’s Benefits Department cannot give me tax advice or confirm that I meet the eligibility requirements for an HSA. I may obtain information on eligibility requirements from a tax professional or the Internal Revenue Service, including IRS Publication 969, or by contacting the HSA Administrator.
- I agree to notify the University Benefits Department if I am no longer eligible to contribute to an HSA and acknowledge that I must re-enroll during open enrollment each year to participate in this benefit during the next Plan Year.
- I am responsible to keep all receipts. I understand that I may be required to substantiate claims to the IRS.
- I agree to use my HSA debit card only for eligible HSA expenses that are not reimbursable from another source.

I have read and understand the information on this form and I certify the information I have provided on all parts of this form is true and correct. I understand that knowingly providing a statement that contains any false, incomplete or misleading information may result in both adverse employment action, up to and including termination of employment, and adverse tax consequences, including penalties and interest. I hereby authorize the payroll deductions as required through the end of the Plan Year, December 31, 2017, or my termination of employment, whichever occurs first.
