Welcome!

I am delighted that you have joined our team as an International Agent Partner. We look forward to working with you, and anticipate that this is the beginning of a long and mutually beneficial relationship. We view the work you do as a key element in attaining one of our Office of Global Education core mission goals: attracting, admitting and retaining a diverse and talented international student body.

This manual is designed to give you a clear roadmap of Kent State’s processes for working with Agent Partners, and to spell out the support you can expect to receive from us as well as the responsibilities we expect from you. If you ever need assistance or have questions beyond the scope of this manual, please do not hesitate to contact us at partnerships@kent.edu. We are here to support you!

Sincerely,

Valerie Reed

Why Kent State?

A truly global campus:
More than 1,700 international students attend Kent State University, from 101 different countries.

Quality and affordability:
As one of the top public research universities in the United States, Kent State offers a high quality education at an affordable price to international students.

Safety and “walkability”:
The Kent State main campus is ranked 25th safest college campus in the U.S. by the Council for Home Safety and Security (based on data from the FBI's Uniform Crime Reporting and the National Center for Education Statistics), out of more than 2,000 institutions, and #1 safest campus in Ohio. In addition, the Kent campus is also extremely easy to live in without a car. Kent’s charming downtown, with its many restaurants, shops, music venues and galleries, is walking distance from campus. Nearby shopping centers and other area attractions are accessible by local bus service, which is free for KSU students.

Scholarships for international students:
This year we awarded more than $900,000 in scholarships to international students, and introduced several new scholarships that will be continued again this year. Find the most current scholarship details here: https://www.kent.edu/globaleducation/international-students-scholarships-resources

ESL School on campus:

Kent State has an on-campus ESL Center that is committed to academic excellence through flexibility in program design. All courses are available at various proficiency levels to ensure that students receive the best English training possible, and a smooth transition into their academic program if they choose to pursue a degree. All classes are taught by experienced instructors holding a Master's or Doctorate degree in English, Applied Linguistics or Teaching of English as a Second Language. All undergraduate and many graduate programs allow conditional admission for ESL to qualified students who do not yet meet the English requirements for full admission.

On-campus work opportunities:

Kent State international students may work on campus up to 20 hours per week during the academic terms, and 28 hours per week during the breaks.

Study abroad opportunities outside the U.S.:

The Application Process

Application deadlines

**Undergraduate:** Nov. 1 for Spring semester, June 1 for Fall semester

**Graduate:** varies by program – see [https://www.kent.edu/globaleducation/graduate-program-application-deadlines](https://www.kent.edu/globaleducation/graduate-program-application-deadlines)

Submitting the application

You will find the online applications for our undergraduate, graduate and ESL programs on our International Admissions website, along with instructions and requirements: [https://www.kent.edu/globaleducation/international-admissions](https://www.kent.edu/globaleducation/international-admissions). The application fee is $70.

Supporting documents can now be uploaded directly into the online application for graduate level applications; for undergraduates, you may email supporting documents as scanned PDF files to intladm@kent.edu.

English test score requirements

**Undergraduate:** minimum TOEFL score of 525 (71 on the Internet based version), minimum MELAB score of 77 or IELTS score of 6.0, or PTE Academic score of 48, or complete Kent State’s ESL Level 112 Intensive Program. Those who do not meet the minimum score for admission may be admitted conditionally if they meet academic requirements.

**Graduate:** varies by program – here is the link to check the requirements by program: [https://www.kent.edu/globaleducation/graduate-program-english-requirement-2018](https://www.kent.edu/globaleducation/graduate-program-english-requirement-2018).

Tips to expedite the application

To assist with the assessment of applications please ensure that:

- Application forms are complete and accurate
- The application fee has been paid
- The required supporting documents are included – these may be emailed separately as scanned PDFs to intladm@kent.edu
- Documents are correctly certified (where required)
- Documents are translated (where required)
- The student provides their own permanent address and email in their country of origin (this may not be the agent’s address)
- You provide **your agent name and email address** on the application, to ensure you are credited for the recruitment of the student. For **Undergraduate** level applications, please send a separate email to intladm@kent.edu indicating the student’s name, date of birth, date of application, and
your agency name and email address. For Graduate level applications, you must complete the following section within the application itself:

The processing of applications may be delayed if:

- The application is incomplete
- Insufficient documentation is provided
- The application fee is not included
- A student changes program mid-assessment, or has selected a program which is not available for their chosen semester
- A student applies in a peak period (6-8 weeks prior to the start of the semester).

It is important to send individual applications as you receive them and they are complete. Please do not collect applications and submit them only when you have a number of them. This is especially important during peak periods just before a semester starts.

Tracking your students’ applications

Please follow the below protocol when emailing the International Admissions team to inquire about the status of an application:

- Email intladm@kent.edu, citing the student’s full name, date of birth, and/or KSU student ID number. This email address is monitored daily, and our Admissions staff travel frequently, so it is important that you direct all status queries here rather than to an individual’s email address.

- The intended response time for such enquiries is 2 working days. If, however, you do not receive a response within 5 working days, please email the International Admissions Director, Salma Benhaida, at sbenhaida@kent.edu, with copies of the previous emails, and she will ensure that you receive an immediate response.
Commission Payment

Basis of Commission

• Commission amounts are paid based on the terms of our contract. See Clause 7 and Schedule 1 of our contract for specific information regarding the payment amounts.
• Commission is paid on a per student basis, as determined by:
  1. Whether the student is enrolled
  2. Whether the enrollment status is “full-time”
  3. Whether the contract is valid during the time of enrollment
  4. The program of study: undergraduate, graduate, ESL, or non-degree
  5. A valid invoice has been sent to the Office of Global Education (OGE) Fiscal Manager within the required deadline for the semester being invoiced.

Processing Commission Payments

For fastest processing, please follow these steps:

1. As soon as possible after the 15th day following the start of the semester, email a list of students for whom you are requesting commission to the OGE Fiscal Manager at ogefinance@kent.edu. To determine eligibility, please include in the email the following information:

<table>
<thead>
<tr>
<th>Term of Entry</th>
<th>Student Full Name</th>
<th>Date of Birth</th>
<th>Kent State ID</th>
<th>Program (Grad/Undergrad/ESL)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall 2017</td>
<td>John A. Doe</td>
<td>mm/dd/yyyy</td>
<td>8888888888</td>
<td>Undergraduate</td>
</tr>
<tr>
<td>Fall 2017</td>
<td>Jane B. Day</td>
<td>mm/dd/yyyy</td>
<td>8888888888</td>
<td>Graduate</td>
</tr>
</tbody>
</table>

2. The OGE Fiscal Manager will respond with confirmation of eligibility and commission due for each student.
3. Create an invoice with the updated information, and send a completed, valid invoice to the Fiscal Manager at ogefinance@kent.edu.

Valid Invoice

In order to be processed for payment, your invoice must be submitted within the following date window – invoiced submitted outside this date range will not be paid:

• No sooner than 15 days after the start of the semester being invoiced
• No later than 10 days after the end of the semester being invoiced

Your invoice should include all of the following:

• Prepared on company letterhead, with complete contact and address information
• Invoice number and date
• Correct information, including eligible student’s name, date of birth, KSU student ID number, student’s level and program of study, and the correct commission amount.
• One of the following mandatory statements (whichever applies):
"I certify that all of the services were rendered outside the United States."  OR:
"I certify that ___% of the services were rendered in the United States."

- Your complete current banking information, which must match the banking information stated in our contract with you. If you have changed bank accounts since the contract was signed, please notify us immediately and we will prepare a contract amendment for your signature. The banking information on your invoice should include the following:
  - Bank Name
  - Bank Address
  - BIC/ Swift Code, for accounts outside the U.S. (or Routing Number, if a U.S. account)
  - IBAN / Account Number
  - Account Name (the name on the corporate account, not an individual’s name)
  - Account Type: checking or savings, if a U.S. account

Any invoice that does not have the complete and correct information will be returned to the agency for correction, and will result in payment delays.

**Payment**

Our goal is to process all correct, complete invoices as soon as they are received; however, staffing and work flow do not always make that attainable; please allow up to 30 days for payments to be processed.

Payment to bank accounts outside the United States will be paid via wire transfer, and the agency must have a valid W-8 on file. The W-8 is required by U.S. tax authorities, and is valid for 3 years; if yours is not current at the time you submit your invoice to us, we will notify you and send you a new TINC form and instructions for completion.

Payments to bank accounts in the United States can be paid via check or ACH electronic funds transfer. If your bank is in the U.S., please specify which method you prefer.

**Agent Assessment**

We view our relationship with you as a long-term commitment, with the understanding that building institutional branding and marketing can take time, and the nature of recruiting markets can vary greatly by country and region. One of the factors we evaluate in assessing our Agent Partners’ success is the number of students recruited, but that it certainly not the only factor. We appreciate the value you bring in evaluating your students fully to determine which of them will be the best fit for Kent State University, and we know that means that the numbers do not tell the full story. Factors that we will use in assessing your performance are:

- Overall number of enrollments
- Conversion rate from applicants to enrollments
- Quality of your student applicants
- Communication
- Responsiveness
- Professionalism
- Reliability
- Honesty
- Integrity
- Compliance with KSU’s and students’ requests
We assess our agents’ performance throughout the life of the contract, and also prior to contract expiration. All decisions regarding new or renewal contracts are made by our Agent Review Committee (ARC), which meets approximately monthly. Our standard contract term is 3 years, and if the ARC decides to renew your contract for a further three-year term, we will contact you prior to the expiration and send you a new contract for the renewal term.

Please let us know how we are doing as well – we know that your success depends in large part on the support we provide to you, so we always welcome your feedback about how we could be doing better.

Your Kent State Team
