

Autism Spectrum Disorder (ASD) Certificate Program Plan of Study

Autism Spectrum Disorder Certificate Requirements

Please be advised that the Plan of Study (this form) should be filed (meaning completed, signed by your faculty advisor and you, and submitted to the Graduate Student Office in 418 White Hall) no later than the end of the second semester of coursework in the program. Registration will be **blocked** at the end of the second semester until a plan of study has been submitted. **If you are interested in Special Education Licensure or a Master’s degree from KSU, you must be fully admitted into each program and complete the prescribed coursework on the prospectus in addition to courses that are prescribed here for the ASD Certificate.**

Notes:

1. A maximum of 6 hours of approved graduate level coursework can be transferred into the ASD Certificate Program and students must have earned A or B grades on transferred coursework.
2. All coursework (transferred and taken) for the ASD Certificate program must be completed within 6 years.
3. Courses are not offered all semesters. To complete the program in 1 year, students must take ABA I and ASD: Theory and Diagnosis in Fall, Social Communication Development and Disorders of ASD and Medical Aspects of Lifespan Disabilities in Spring, and ASD: Lifespan Interventions and ASD Capstone course in Summer.
