College Credit Plus
Science Experience Internship

Last Name____________________________ First Name ______________________________

Cell Phone (_____) ____________________ Home Phone (_____) _____________________

Email Address __________________________________

High School Name ______________________________

Current HS Grade Level:   Freshman _____Sophomore   ______Junior   ______Senior _______

Intended College Major ________________________________________Undecided ________

Have you participated in any extracurricular programs involving math-science-technology activities, such as a science camp or robotics team? If so, please describe below.

Students applying for a Science Experience Internship should indicate a desired area of study to assist with placement. Placement is determined by a student’s indicated research interest and availability of participating faculty advisors.

Please indicate area(s) of research interest for Science Internship placement. If you have more than one area of interest, please indicate preference using numbers 1-6.
