### News You Can Use

NINR recently published *Building Momentum: The Science of End-of-Life and Palliative Care. A Review of Research Trends and Funding, 1997-2010*. Available online at <http://www.ninr.nih.gov/eolspotlight>

The National Institute for Occupational Safety and Health has developed an interactive on-line violence prevention course for nurses and direct-care healthcare professionals, available on the NIOSH website at [http://www.cdc.gov/niosh/topics/violence/training\\_nurses.html](http://www.cdc.gov/niosh/topics/violence/training_nurses.html)

### Dear Colleagues,

Welcome to a new year at College of Nursing. We hope many of you have met our newest research faculty by now, featured on the 2nd floor bulletin board across from the elevator. Pam Stephenson has joined us this Fall from Wright State Miami Valley after earning her PhD here at KSU CON in 2011. Pam's current line of research includes the areas of oncology, hospice, and palliative care. Yafen Wang also joins us this Fall from Case Western Reserve University. Her research interests lie in pediatric health.

Other new additions at CON include display boards for faculty research posters on Henderson's 2nd Floor. We expect to add more as the year progresses and hope you will share your next research conference poster with us, to add to our rotating collection.

As College faculty research efforts reach publication, please help us update the bulletin board at the top of the 3rd floor stairs by sending your articles as e-files to the Center for Nursing Research, c/o mbenjam9@kent.edu.

Remember to contact us if you are planning to submit a grant proposal. We are here to assist you in that process.

**Best wishes for a productive Fall Semester, Mary K. Anthony, PhD, RN, CS Associate Dean for Research**

### Engagement Series: Brown Bags.

First Mondays, Noon-1 pm in Room 207, Henderson. We will be providing nursing contact hours for continuing education and thematic food pairings for most sessions this year.

A video version of *Integrating Self-Care into Classroom and Clinical Settings* is available at: <https://www.coursesites.com/webapps/Bb-sites-course-creation-BBLEARN/pages/index.html> This is available to KSU faculty on all campuses as well as clinical preceptors, alumni, and others.
