

## Changing Display Name Step by Step.

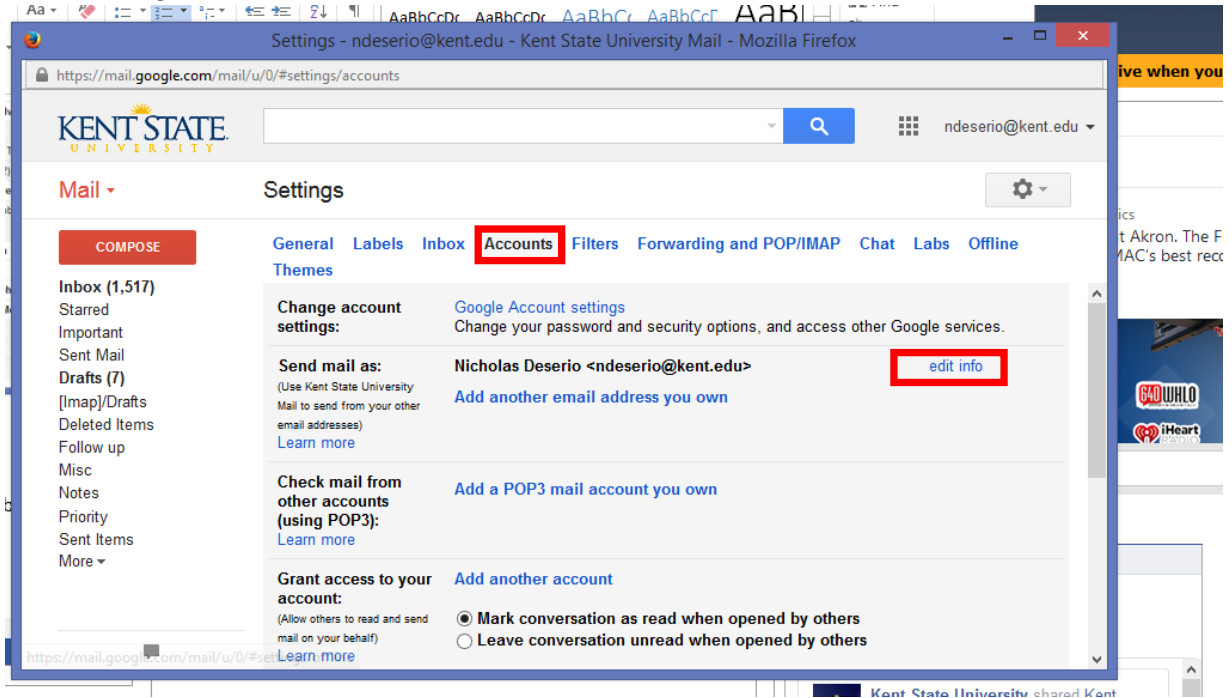

### 1. Log into flashline.

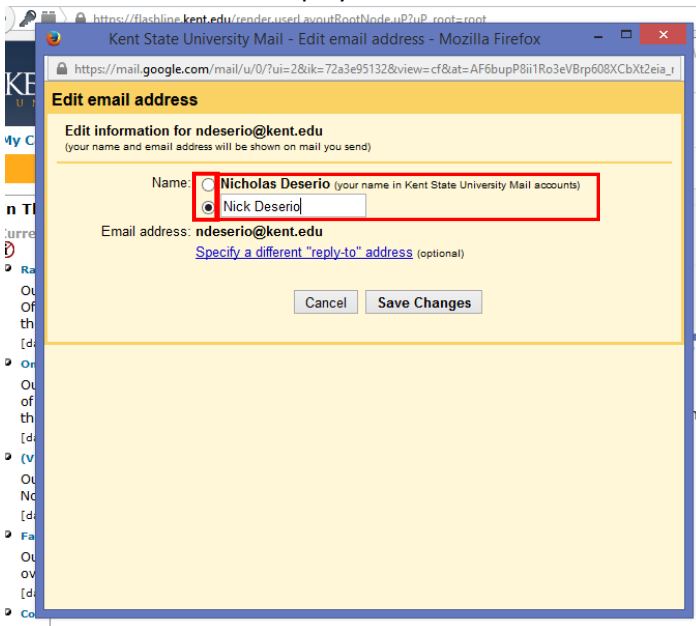

### 2. Open email and then click the gear wheel in the upper right hand corner and go to settings.

3. Under settings click the accounts tab and then click edit info.

4. After you click edit info a pop up will give you the option to change display names. As you can see a bubble will give you the option to select your original display name at any time. Make sure the one with the new display name is checked.

5. Hit save changes and you are done!
