Occupational Therapy Assistant Program

Observation Requirement: A minimum of 16 hours (minimum of eight hours at two different sites) must be completed prior to admission in the technical study portion of the Occupational Therapy Assistant Program at KSU EL.

For each facility, complete this form in its entirety. Completed forms must be received by KSU EL by the April 30 deadline for fall admission eligibility.

Professionalism Requirements: While shadowing, students are considered a visitor in the clinical setting. It is expected that the applicant will conduct themselves as courteous professionals. Although the student experience is observation only, the shadowing program is intended to be an interactive learning process with the opportunity for student-professional-patient interactions. Applicants must dress professionally per the requirements of the facility, refrain from cell phone use, keep all information confidential to ensure patient privacy, and adhere to other applicable facility requirements.

Name of Applicant: ____________________________

Applicant Email: ____________________________

Name and Location (City/State) of Facility:
