PLACEMENT ASSESSMENTS
Most new students are required to take the online ALEKS math placement assessment. If students have current ACT scores, reading and writing placements will be determined by the appropriate ACT subscores.

If students do not have current ACT scores, students must take the computerized Accuplacer placement test.

STUDENT CHECKLIST IN FLASHLINE
Review your Student Checklist in My Lists in the FlashLine toolbar (top right) to determine which placement assessments you are required to take.

Test results are used by academic advisors to help determine proper course selections.

Students should contact the Office of Student Services at 330-244-3251 to determine the necessity of placement testing.

- Before testing in the Academic Success Center, students must show a photo ID. Appointments are not necessary.
- ALEKS and Accuplacer are administered at no charge.
- ALEKS Math can be taken online from home through FlashLine > Student > Resources > Placement Assessments. ALEKS Math may also be taken at the Academic Success Center if a student chooses.
- Accuplacer testing is proctored in the Academic Success Center.
- Average testing time for Accuplacer reading and writing is 90 minutes. ALEKS Math testing time averages 90 minutes. Students test at their own pace.
- Accuplacer practice site: accuplacer.collegeboard.org/students/prepare-for-accuplacer. Students should choose Classic Accuplacer Sample Questions and WritePlacer Guide.
- Arrive at least three hours prior to the center closing to allow enough time for testing for Accuplacer and ALEKS.

Students must complete any required testing before attending First Step or meeting with an academic advisor.

TESTING HOURS

ACADEMIC SUCCESS CENTER
40 Campus Center • Lower Level
330-244-5040
starktesting@kent.edu
www.kent.edu/stark/testing-services

There will be no placement testing available May 7 - 11 in the Academic Success Center.

TESTING INSTRUCTIONS
1. Go to www.kent.edu/stark.
2. Log into FlashLine. From the left menu, select Student > Resources > Placement Assessments.

- Click on Math and follow the instructions.
- Contact ALEKS Support if you have problems accessing the assessment: 714-619-7090 or aleks.com/faqs/technical
- The use of ALEKS requires installation of the ALEKS plug-in. The plug-in should install on your computer the first time you access the ALEKS site. If you have trouble installing the plug-in, visit aleks.com/faqs/technical.
- The math placement assessment should take 60-90 minutes to complete.
- Your placement results will be discussed when you meet with an academic advisor.

STANFORD READING
If your ACT reading subscore is below 20, you have placed into a developmental reading course at Kent State regional campuses.

Before beginning a developmental reading course, students are required to take a second reading test, the Stanford Diagnostic Reading Test, to confirm that they are in the correct reading course or potentially test out of reading courses.

The Stanford Reading Assessment must be completed before students attend First Step or meet with an academic advisor.

This assessment is given at the Academic Success Center. Appointments are not necessary.
- View testing hours at www.kent.edu/stark/testing-services.
- A photo ID is required.
- The assessment takes approximately 90 minutes.

ALEKS CHEMISTRY
If you plan to take General Chemistry I (CHEM 10060) in the fall semester, you must take the online ALEKS Chemistry assessment.

You will be contacted by email with specific details about the assessment.

FOREIGN LANGUAGE (optional)
If your intended major requires you to take foreign language courses, or if you think you might take a foreign language class during your first semester, you are welcome to take the foreign language placement test. Your advisor will discuss your placement with you. This is not required but will be helpful should you need to take a foreign language course during your first semester.
Before attending First Step or meeting with an academic advisor, students must be admitted and complete any required placement tests.

FIRST STEP - REQUIRED FOR NEW FRESHMEN
First Step is for any new freshman (recent high school graduates, not transfers). Shortly after you are admitted, you will receive an invitation to First Step with placement testing and reservation instructions. First Step begins in March and multiple dates are offered each month. Register for the earliest First Step date available for the best selection of classes.

First Step is a half-day program. You and your guests will attend sessions on academic advising, paying for college and will meet with an academic advisor to register for fall classes. You will also receive your Kent State FLASHcard. An optional campus tour is offered in the morning before First Step begins. Plan your day accordingly so you can attend First Step for its duration. Learn more at www.kent.edu/stark/first-step.

ALL OTHER STUDENTS - SCHEDULE AN ACADEMIC ADVISING APPOINTMENT
Schedule a convenient half-hour (one-hour for transfer students) academic advising appointment at www.kent.edu/stark/advising-services or contact the Office of Student Services at 330-244-3251.

An advisor will discuss placement, advise if additional preparation is needed, briefly discuss majors and help select appropriate classes.

WALK-IN ADVISING
Students can meet with an advisor without an appointment on designated walk-in advising dates. Students must be admitted and have completed any required placement tests before participating in walk-in advising. Walk-in advising is typically very busy so expect long wait times.

- Walk-in advising dates: www.kent.edu/stark/advising-services

MANDATORY ADVISING
All Kent State University students are required to meet with an academic advisor each semester so that we may assist you in timely progression to graduation.

GPS - GRADUATION PLANNING SYSTEM
As part of timely graduation, students are required to declare a major before earning 45 hours at Kent State University. Students should also understand the GPS Audit and Plan when reviewing future courses and remaining requirements. The Plan in GPS is a feature that provides students a location to document courses to be taken in future semesters. More information on GPS can be found at www.kent.edu/gps.
