Kent State University's Full-time Master of Business Administration

PROGRAM DESCRIPTION

Kent State's Full-time MBA program provides you with a high-quality education coupled with a wealth of professional and experiential opportunities to further develop your business understanding, leadership skills and professional network. The program stresses a balance between theory and practice that will best prepare you to succeed in today's global business environment.

Our challenging and innovative curriculum, taught by outstanding faculty, provides a broad foundation across key business disciplines, as well as the opportunity to specialize in one of ten areas: Accounting, Economics, Entrepreneurship, Fashion Design and Merchandising, Finance, Human Resource Management, Information Systems, Marketing and Supply Chain Management.

PROGRAM REQUIREMENTS

The MBA requires the completion of 37 hours, although course waivers may be possible based on your previous education. Required courses are taught in eight-week modules allowing for efficiency and effectiveness. All majors are welcome. With a concentration, you should be able to complete the program in 15 months. A Professional Development course in the first semester helps you to immediately begin the process to achieve your career goals.
