I affirm that, to the best of my knowledge, the information I have provided on this application is true and accurate. I acknowledge that a false statement on this application will subject me to nullification of the Ohio residency reclassification and the assessment of out-of-state tuition for current and future enrollments and retroactively to the first term of my enrollment as an Ohio resident for tuition purposes. Therefore, I am aware that I may be assessed out-of-state fees if at any time I fail to meet the requirements of the Ohio Administrative Code 3333-1-10. I understand that a reclassification of residency for-tuition-purposes could impact my bill and/or financial aid package.

The following documents must be submitted with this form: a) your Ohio high school transcript or a verification of your graduation on the high school's letterhead stationery; and b) your current housing lease, property deed, or notarized affidavit from parents/other. (Note: a copy of a high school diploma is not sufficient evidence of high school graduation. An Ohio high school does not include GED.) If you are not a U.S. citizen, you must attach copy of supporting documents establishing your current immigration or Visa status. **Return all documentation including a signed original of this form by published residency application deadlines to:**
