Student Retention Drives Kent State Enrollment Growth at Its Kent Campus; Campus Also WelcomesHighest-Achieving Freshman Class

Kent Campus sets new all-time high in total enrollment

Kent State University continues to set records and reach its enrollment goals. The university released its official 15th day census data for the 2014 Fall Semester, reporting the highest retention rate for the Kent Campus in the university's 104-year history. Retention of Kent Campus freshmen has increased to 81.7 percent, up from last year's record retention level of 77.6 percent. This represents the percentage of freshmen who continue their studies at the university for their sophomore year.

"Kent State's faculty, staff and administrators continue to dedicate themselves to improving student success," said Todd Diacon, Kent State's senior vice president for academic affairs and provost. "In the last three years, we have built on that dedication by improving academic advising, expanding support services and co-curricular experiences, and encouraging students to enroll in and pass at least 15 credit hours per semester so that they will graduate in four years. These efforts and others have lifted our retention and graduation rates to record highs."

The Kent Campus also is welcoming its highest-achieving freshman class while also setting a new all-time high enrollment record. The academically motivated freshmen have an average GPA of 3.34 and average ACT score of nearly 23; both are records for an incoming class. Unduplicated (or preponderant)headcount at the Kent Campus for fall 2014 is 28,457 students, exceeding last year's record of 28,019.This marks the eighth consecutive year of enrollment growth on the Kent Campus.

"The Class of 2018 has impressive credentials, setting a new record for our incoming class in terms of average GPA and ACT," said Kent State President Beverly Warren. "We've exceeded our enrollment and retention goals across the board, and with the Kent Campus at capacity, this is shaping up to be an amazing year. Our record retention rate shows that we put students first, helping them succeed in the classroom so they can graduate on time."

Total enrollment for the 2014 Fall Semester across the university's eight campuses is 41,214 students. The unduplicated headcount for the Regional Campuses is 12,757 students. Students are counted only once at the campus at which they hold a majority of their course load. After a significant increase in enrollment due to the recession, enrollment at the Regional Campuses has adjusted to the current economic climate and is in line with its expected enrollment under normal conditions.

T. David Garcia, Kent State's associate vice president for enrollment management, said the university's efforts to build student retention are working.

"For the past five years, Kent State has strategically built its enrollment plan focused on retention," Garcia said. "One key factor that plays a significant role with retention is increasing the academic profile of the entering freshman class. We have seen the average high school GPA increase from 3.21 in 2009 to a 3.31 in 2013 to a 3.34 in 2014. The payoff for Kent State is huge as we are seeing the fall-to-fall freshman retention rate hit 81.7 percent for the first time in the history of Kent State. The hard work and extra efforts from faculty and staff who spend many hours working on initiatives that focus on retention is amazing."
