Checklist for Moving from Premajor to Major

Kent State University, Office of Student Services, 304 White Hall
330-672-2862 <http://www.ehhs.kent.edu/oss> FAX: 330-672-3549

Students must declare a premajor in human development and family studies until they have earned a GPA of 2.5 or higher in the requirements outlined below, with a GPA of at least 3.0 in the three HDFS courses. The purpose of the premajor in human development and family studies requirement is to ensure that majors have adequate preparation necessary to successfully complete upper-division human development and family studies courses, including a senior-level practicum, which provides students with professional training in the field of human/social services.

NOTE: For purposes of moving from the premajor to the major, the highest grade will be used to calculate GPA. However, please be aware that all attempts are used to calculate Major GPA and will be used for graduation.
