Note: Before contacting agencies, students should consult with the faculty member who will be supervising their internship or practicum for information regarding required hours, paperwork, etc. This is often accomplished during the Practicum Orientation which is held every fall and spring. Those who are using this directory to schedule a Field Experience should follow the criteria given by their instructor.

Summer Internship & Volunteer Opportunities
The International Institute of Akron is currently searching for skilled, professional, and enthusiastic volunteers and interns for our summer programs.

ABOUT US
The International Institute of Akron (IIA) is a leader in the ever-expanding international community in Summit County, Ohio. We are based in the North Hill neighborhood of Akron. A nonprofit agency founded in 1916, IIA welcomes new Americans to Akron to make our community their home.

OUR MISSION
Our mission is to contribute to the well-being of our community by creating and implementing programs and services that assist those born outside the United States to integrate into American society. We work to promote public awareness of the value of ethnic diversity and to encourage international communication.

We are currently looking for applicants in the following areas:
- Communications
- Fund Development
- Immigration
- U.S Citizenship & Education
- Graphic Design
- Tour Guide
