RE: Financial Aid & the NYC Studio Program

Hello ~

I wanted to share with you some information regarding your participation in Kent State's NYC Studio program. As Kent State University is not your Home School (you will not receive your diploma from Kent State) you will be admitted as a transient/guest student.

As a transient/guest student, the Student Financial Aid Office at Kent State will not process your financial aid for the NYC Studio program. You will want to contact the Financial Aid Office at your Home School, for their Transient forms and procedures.

Some questions you may want to ask them:

1. If I have scholarships, will I be able to use them while a transient/guest student at Kent State?
2. Is there any financial aid that I am not eligible for?
3. Is there paperwork I need to complete to receive financial aid while I am transient/guest at Kent State?
4. How will my financial aid transfer to Kent State to pay my bill?
5. When will my financial aid be available, is it in time to make the payment by Kent's payment deadline date?
6. If I need more financial aid, what are my options?
7. If I have more financial aid than the bill, how will I receive my refund?
8. Kent State's financial aid office won't process my financial aid because I am transient/guest. Does Kent State have to complete forms for you, so that you can process my financial aid?
9. Is there anyone else I need to notify about my transient/guest status?

I will be your home school's contact, with regards to your financial aid processing, if your financial aid office has any questions.
