Optional Practical Training Tutorial

• It is **your responsibility** to understand all of the details and requirements of your immigration status.

• Read this entire tutorial carefully in order to completely understand the timelines, eligibility, procedures, and requirements.

• If, after reading this tutorial, you have questions, ask an ISSS Advisor by emailing **issss@kent.edu** or during walk in advising.

• Do **NOT** send multiple emails to multiple advisors regarding the same question.
What is Employment

• Employment is any type of work performed or service provided in exchange for money, tuition, or other benefits.

• Remuneration is not required when you are employed on OPT

• Unpaid internships and volunteer work count as employment for OPT
What is OPT

• Optional Practical Training is a benefit of F-1 status, for which international students may apply.

• U.S. Citizenship and Immigration Services (USCIS) authorizes OPT for 12 months of employment, so that F-1 students have the opportunity to gain practical experience directly related to a completed program of study.
Types of OPT

• **Pre-Completion OPT:** Takes place during your program

• **Post-Completion OPT:** Takes place after you complete your course work
  • This is the most popular option for F-1 international students

• **STEM Extension:** An extension of 24 months is available for certain STEM (Science, Technology, Engineering, and Math) degree recipients
Post Completion OPT

• This permits you to engage in a practical work experience AFTER you complete your course work

• You must work full time
  • Full time is 21 hours and more per week

• You may apply for one 12-month OPT Authorization per level (Bachelors, Masters, PhD)
  • STEM Extensions may be granted for certain STEM degrees for an additional 24 months
Post-Completion OPT Eligibility

You are eligible for OPT if you:

• Maintained F-1 Status for at least 1 academic year (two academic semesters – Fall & Spring or Spring & Fall)
• Are a degree seeking student (non Language Training)
• Completed ALL required coursework for your program
• Completed fewer than 365 days of Full Time CPT if you participated in CPT
• You do NOT need a job offer prior to OPT application
APPLICATION
PROCESS & TIMELINE
Understanding the OPT Application Window

• You have a **150 day window** to apply for OPT
• You can start to apply **90 days before your program end date and up to 60 days after your program end date on your I-20.**
Understanding the OPT Application Window

• Dates for May/Spring graduates
  • First date to apply for OPT: February 20th
  • I-20 end date: May 20th
  • End of grace period: July 18th

• Dates for December/Fall graduates
  • First date to apply for OPT: September 22nd
  • I-20 end date: December 20th
  • End of grace period: February 17th

• Dates for August/Summer graduates
  • First date to apply for OPT: May 23rd
  • I-20 end date: August 20th
  • End of grace period: October 18th
Understanding the OPT Application Window (Graduate Students)

• Doctorate and Master’s level students do not need to graduate in order to apply for OPT.
• You can apply for OPT while working on Dissertation or Thesis as long as you have completed your required course work.
• Graduate students are encouraged to speak to an ISSS advisor to decide OPT application timeline.
• Once your OPT is approved, you will only have until the expiration of your OPT period to remain in the United States.
2 Step Process

• **STEP 1:** You must first request a new I-20 with OPT recommendation from ISSS

  THEN

• **STEP 2:** You must submit your application including your new OPT I-20 to USCIS
Application Step 1 – Selecting a Start Date

- When you request your I-20 from ISSS, you will need to identify a valid OPT Start Date.

- Your start date MUST fall within the 60 day grace period following your program end date.
  - Once you have selected your OPT start date, it is very difficult to change and impossible to switch once you have submitted your application to USCIS.
  - If USCIS cannot process your request by the start date, a later date may be issued.

- Waiting to submit your application later in your grace period, may result in less than a full year of OPT.
Application Step 1 – Selecting a Start Date

- **Students on Thesis or Dissertation:**
  - You have more flexibility of when you apply for OPT
  - As long as you have completed all program requirements excluding thesis or dissertation, you may apply for OPT
  - Once you apply for OPT, your program end date will be adjusted to reflect the end of your program
  - We will not be able to extend your program after this happens; therefore, you must prepare to complete all work related to your thesis or dissertation by the end of your authorized OPT period
Application Step 1 – Preparing Your Documents

• In order to submit your request through ISSS, you will need the following documents:
  • Copy of Passport page
  • Copy of most recent U.S. Visa
  • Copy of your most recent I-94
  • Completed Form I-765
  • 2 passport photos taken within last 30 days (with I-94 number written in pencil on the back)
  • An original check or money order for $410 made out to U.S. Department of Homeland Security
  • Any previous EAD cards

Travelling with Pending OPT Application:

We do NOT recommend that you travel outside of the U.S. with a pending OPT application.

• When your OPT application is PENDING (meaning you have mailed your application but have not received an EAD card), you may travel outside the United States and you may return before the program end date on your I-20

• If your OPT is APPROVED, you must present the EAD card and a job offer letter at the U.S. port of entry. If you do not have these documents, there is a greater risk you will be denied re-entry
Next Steps
Finding a Job

• Your next step is to find a job.

• **Unpaid internships and volunteer work count as employment for OPT**

• There are many places that you can search for jobs that will hire international students.

• We recommend that you begin with the Career Exploration and Development Office
  - [https://www.kent.edu/career](https://www.kent.edu/career)
  - Look for career fairs and online tools for job searches
  - Did you know the Career Exploration and Development Office is in OGE on Thursday 10:00 am. – 12:00 p.m.
    - [https://www.kent.edu/career/appointmentsdrop-ins](https://www.kent.edu/career/appointmentsdrop-ins)
Finding a Job

Remember your job must meet the following requirements for Post-Completion OPT

• Any employment, internship, or other practical training experience you accept while on OPT **must be directly related to your major field of study**.
  • For example, a computer science major must work, volunteer, or intern in a position directly related to computer science.

• You must work **Full Time (21 hours/week or more)** if you are on Post-Completion OPT
  • You can have more than 1 job that adds up to 21 hours/week or more. Both must be directly related to your major.
Authorized Unemployment

• You are not required to have a job at the time of application for OPT

• All F-1 students granted OPT, are authorized to have 90 days of unemployment during the entire length of approved OPT.
  • Day 1 is the start day on your EAD card
  • This includes any period between jobs
  • Avoid using all 90 days at the beginning of your OPT period

• You are responsible for calculating and tracking your authorized unemployment days.
Starting Work

• **You may not start working** until you have physically received your EAD card **AND** the start date has arrived or passed.

• You are allowed to interview, accept a position, and complete any paperwork before you have an EAD card, but you may not actually report to work until you have the EAD card.

• Your EAD card will be sent to the mailing address indicated on your Form I-765.

Driver’s Licenses

• Your driver’s license is typically tied to the end date on your I-20.

• You should be aware of when your driver’s license expires.

• The BMV may not issue or renew your license until you receive your EAD card.
