The decision to use a Taskstream evaluation score as a grade is made by the instructor.*
- **Non-Submission:** These assignments require no action in Taskstream by the student. However, students may still need to submit work to their instructor in a different way (e.g., email, paper copy, etc.). *Please note that evaluation scores in Taskstream may or may not represent a grade for the course. The decision to use a Taskstream evaluation score as a grade is made by the instructor.*
