### STUDENT TEACHING OBSERVATION FORM

**Observations**
Document strengths and areas needing development. Align with elements of OSTP.

**Goals**
Identify goals for elements needing further development.

**Strategies and Timeline**
List specific steps to reach the goal and set a timeline for reaching the goal.

**Ohio Standards for the Teaching Profession (OSTP)**

- **OSTP 1:** Teachers understand student learning and respect the diversity of the students they teach.
- **OSTP 2:** Teachers know and understand the content area for which they have instructional responsibility.
- **OSTP 3:** Teachers understand and use varied assessment to inform instruction, evaluate, and ensure student learning.
- **OSTP 4:** Teachers plan and deliver effective instruction that advances the learning of each individual student.
- **OSTP 5:** Teachers create learning environments that promote high levels of learning and achievement for all students.
- **OSTP 6:** Teachers collaborate and communicate with other educators, administrators, parents, and the community to support student learning.
- **OSTP 7:** Teachers assume responsibility for professional growth, performance, and involvement as an individual and a member of a learning community.
