

The Specific Payment Types Matrix provides guidance related to specific categories of payment requests. For each category, the appropriate payment method(s), details about the documentation that must be included, and a suggested account number are included. When applicable, a university policy or Accounts Payable procedure is provided as a reference. Consult the Payment Method Matrix for general guidelines on determining when a purchase requires a purchase order, payment request form, payment via purchasing card, or wire request form.

Payment Type	Requirements When Submitting to Accounts Payable	Policy / Procedure
