

### **Per-Credit-Hour Fee above Tuition Cap at the Kent Campus**

Students taking 19 or more credit hours and at least one Kent Campus course will be subject to an additional per-credit-hour fee for every credit of 19 or above.

Undergraduate students, both in-state and out-of-state students, will be charged the in-state undergraduate per credit hour rate for all enrolled hours above the full-time tuition range (cap), which is 12-18 credit hours. Graduate students, both in-state and out-of-state students, will be charged the in-state graduate per credit hour rate for all enrolled hours above the full-time tuition range (cap), which is 11-18 credit hours for graduate students.

The additional per-credit-hour fee does not apply to students taking only Regional Campus classes. However, if a Regional Campus student takes at least one Kent Campus course and exceeds the tuition cap, the student will be assessed for the additional credit hours. Please review these examples:

***Example 1*** – A student is taking 14 credit hours at the Ashtabula Campus and 5 credit hours at the Geauga Campus. The student is *not subject* to the additional per-credit-hour rate for the 19<sup>th</sup> credit hour because none of the courses are Kent Campus courses.

***Example 2*** – An undergraduate student is taking 6 credit hours at the Kent Campus and 13 credit hours at the Trumbull Campus. The student will be assessed additionally for the 19<sup>th</sup> credit hour because he/she has Kent Campus classes.

The additional per-credit-hour fee is based on the total number of credit hours the student is registered or receives a grade of “W” for. Therefore, it will adjust through the 80 percent tuition credit period. The per-credit-hour fee will not adjust after the 80 percent tuition credit period because students are assigned a letter grade of “W” for dropped classes after the 80 percent period. Please review these examples:

***Example 3*** – A student is taking 6 credit hours at the Kent Campus and 13 at the Trumbull Campus. The student will be assessed additionally for the 19<sup>th</sup> credit hour because he/she has Kent Campus classes. The student drops his/her Kent Campus class ***during the*** 80 percent tuition credit period. The student only has credit hours for the Trumbull Class so the additional per credit hour fee above 18 credit hours *will be removed*.

The drop resulted in a grade of “W,” as a result the additional per credit hour fee above 18 credit hours *will not be removed*.
