RECALCULATION OF GRADES
Forgiveness or substitution of grades: Students may petition their enrollment unit to repeat a course, and after completing the course the second time, have the original course grade and grade excluded from the calculation of the student's cumulative point-hour ratio, but remain on the student's official permanent record. The course or courses being substituted or repeated will bear the symbol "F" to the left of the grade.

PERMITTED TO RESTART GPA OR FRESH START: An undergraduate student who enrolls in the university after an absence of five or more years may petition to have his/her GPA recalculated. If the petition is approved, the student resumes his/her academic program with no cumulative GPA. All courses taken will remain on the permanent record.
