A Message from Co-Coordinators, Dr. Denise McEnroe-Petitte and Dr. Donald Gerbig

The Spring Awards were held in April. The CE committee selected those individuals/groups honoring a student group, a community organization, and an administrator/faculty member/staff member for outstanding participation in Community Engagement/Service-Learning activities. The KSUT Student Government Organization was chosen for the student group, the community organization was Cleveland Clinic Union Hospital Women’s Auxiliary, and Antoinette Ferritto was chosen as the staff member.

Thanks to all of these individuals who participated in making CE a success.

Please contact us to discuss future community engagement events. We hope to have many activities for academic year 2019-2020!

Dr. Denise McEnroe-Petitte and Dr. Donald Gerbig

“One of the marvelous things about community is that it enables us to welcome and help people in a way we couldn't as individuals.

When we pool our strength and share the work and responsibility, we can welcome many people, even those in deep distress, and perhaps help them find self-confidence and inner healing.

—Jean Vanier

Above: Kent State Tuscarawas Undergraduate Student Government was busy making decorations for the Hollywood Premier Dance for residents of Tuscarawas County that was recently held at Buckeye Career Center. The contributions included a six-foot Oscar cardboard stand up, a six-foot Hollywood banner and a selfie frame—all made using items from the Makerspace, including a large format printer, foam boards and various cutting tools.

Thanks to all who assisted with this worthy project!

Kent State Tuscarawas participated in the annual Rainbow Connection Telethon held in March. A large basket was filled with lots of KSUT items such as: Performing Arts Center (PAC) tickets for upcoming shows, a PAC blanket, KSU coffee mugs, “K” chocolate candies, a nursing t-shirt, a KSU t-shirt, a gift certificate for College for Kids registration for Summer 2019, KSUT blue and gold ornaments, “K” pin, KSU socks, and a KSU backpack. In addition, the nursing department decorated a wreath with blue and gold colors. Our own Dean Brad Bielski was one of the panel members answering the phones.

Thanks to all who helped with the projects and supported the Rainbow Connection!!

Under the direction of Dr. Mariann Harding, advisor for the Alpha Delta Nu nursing honor society, the second year nursing students who were inducted into Gamma Sigma chapter this year became volunteers with the American Red Cross. They participated in Hands-Only CPR classes, where untrained bystanders are taught how to perform this valuable life-saving skill which can help by giving precious time to a person experiencing a cardiac event. Over the course of the semester, each student was involved with teaching at least one class. The group was able to reach a total of 228 people in our community. Some of the facilities where Hands-Only CPR education was provided include: KSUT students, faculty and staff members, Indian Valley High, school health classes, a Cub Scout troop and several local businesses, including Heubner Chevrolet.

Kent State Tuscarawas Annual Day of Giving

With paint brushes in hand, members of the Kent State Tuscarawas administration, faculty, staff and students joined together and spruced up the walls at Big Brothers Big Sisters with a fresh coat of paint during the KSU Annual Day of Giving in April. Members of the crew spent 4–6 hours on the project.

Thanks to all who participated!

Communication Studies Practicum

Dr. Ginger Bihn-Coss’s practicum students worked at various places Spring semester for their Applied Communications course. Alison Romeo was with Deb Ellwood at KSUT, Olivia Marsh was at WTUZ radio with Shanna Burky, Curtis Moreland was with Dee Grossman at the Tuscarawas Visitor’s Bureau, and Seth Crilley was with Ralph Cunningham at Roselyn’s music.
