

Because together, we
can shape your future

Cleveland Clinic's Revenue Cycle Management Internship Program

Everyday, patients and their families trust Cleveland Clinic with what matters most to them. To support Cleveland Clinic's mission and vision, we welcome students to explore careers in Revenue Cycle Management (RCM). From roles such as Patient Service Specialist, Authorization Representative, and Scheduling and Pre-Registration Representative, our teams work across disciplines, collaborate, learn from each other and build expertise that truly makes a difference. This program provides you with an opportunity to explore and determine your career path in a world class healthcare system. Upon successful completion of this program, candidates will have the opportunity to apply for open positions within Revenue Cycle Management.
