

Student Accessibility Services (SAS) at Kent State Stark provides support services for students with documented disabilities. SAS utilizes an interactive, case-by-case approach when determining eligibility for services and reasonable accommodations. Students requesting accommodations from SAS may be required to provide documentation regarding their specific disability.

This form provides one option for students to provide documentation. Students may also submit a detailed letter from their provider, an Individualized Education Plan (IEP) or 504 along with a Multi-Factored Evaluation (MFE) or Evaluation Team Report (ETR). Students with questions about documentation can read more on the SAS website or can contact SAS directly with specific questions.

Please note the following:

- A. The person completing the Disability Documentation Form should be a healthcare professional who is either (1) qualified to assess and diagnose the student's condition, and/or (2) is a part of the student's treatment plan for a previously diagnosed condition. These professionals are generally trained, certified, or licensed to diagnose and/or treat medical or psychological conditions. Examples include: psychiatrist, psychologist, therapist, social worker, medical doctor, optometrist, speech-language pathologist.
- B. Please complete all parts of this form as thoroughly as possible. Incomplete or illegible forms may require follow-up and could delay the student's eligibility process. A fillable PDF of this form is available on our website at <https://www.kent.edu/stark/student-accessibility-services>.
- C. Providers may attach additional documents to provide other information that could be relevant to determining reasonable academic accommodations.
- D. The information you provide will be kept securely in the student's confidential file at Student Accessibility Services. This form may be released to the student upon request under FERPA guidelines.

When complete, return this form to the student to be submitted with their Access KSU application. You may also submit this form to Kent State University Student Accessibility Services at Stark directly by email at starksas@kent.edu or by fax at 330-244-3283.

STUDENT INFORMATION

First Name: _____

Last Name: _____

Phone: _____

Kent State Email: _____

DISABILITY INFORMATION

This form must be completed by a clinician who is licensed to diagnose and treat the student's conditions.

Student's disability diagnosis (List all that apply):

Date of Diagnosis: _____ **Date of last contact with student:** _____
